Blogger Sass Sasot has apologized to National Bureau of Investigation director Melvin Matibag and Laguna Rep. Ann Matibag after she said in a social media post that they owned a four-bedroom property worth over $1 million in the United States.

Sasot on Facebook said that the property at Baldwin Place in California was not owned by the spouses NBI director and Laguna congresswoman as she previously said in a post on July 22.

'I AM SO ASHAMED'

Producer and musician Troy Laureta spoke out in support of Baby Dolls member Johaira, saying people of color deserve to have their beauty recognized, valued, and protected.

In a separate post, Laureta also urged the entertainment industry to create more meaningful opportunities for artists of color instead of using them as subjects of satire.

His remarks came following the "Memerimar" skit featuring Johaira, in which "It's Showtime" host Vice Ganda spat water on her face. (Instagram/Troy Laureta)

This is what melanated Filipino beauty looks like.
It is to be cherished, celebrated and protected.
I am so ashamed.

ANG KRUS NA NAKALIGTAS SA GITNA NG SUNOG

Isang kahanga-hangang tanawin ang naiulat matapos ang isang malawakang wildfire sa Gironde, France. Sa gitna ng pinsalang iniwan ng apoy, isang krus ang nanatiling nakatayo.

Para sa marami, ang krus ay naging simbolo ng pananampalataya, pag-asa, at katatagan—isang paalala na kahit sa gitna ng matinding pagsubok at pagkawasak, may mga bagay na patuloy na nananatiling matatag.

‘SI DOC LIZA MAY BREAST CANCER’

Internet personality Dr. Willie Ong, who is battling stage 4 sarcoma, revealed on social media that his wife, Dr. Anna Liza Ramoso-Ong, was recently diagnosed with breast cancer.

In a vlog posted Tuesday, the couple shared how they discovered Doc Liza's illness and discussed her ongoing treatment.

“Twelve sessions ng chemo, nakakaanim na siya kaya nakita n’yo, medyo nakakalbo na. Ang plano, after 12 weeks of chemo, surgery. So, mastectomy, tatanggalin ‘yung right breast niya,” he said.

Doc Liza said that she has a family history of breast cancer. “Meron po akong mga bukol-bukol sa aking breast na binabantayan ko for the last 20 years. ‘Pag sinabing BI-RADS 2, ibig sabihin benign lang... Biglang may tumubong bukol saka may breast pain. Bagong bukol lang siya,” she explained.

Meanwhile, Doc Liza also shared that Doc Willie is in stable condition and he continues to undergo immunotherapy and targeted therapy.

Did you know there's an ancient and beautiful Christian tradition that connects the Annunciation directly to the Passion of Christ?

From the early Church's days, many theologians believed that Christ was conceived and died on the same day: March 25. This belief is evident in the writings of early Christians like Tertullian and was later echoed by St. Augustine of Hippo, who reflected on the fittingness of this mystery:

"For He is believed to have been conceived on the 25th of March, the same day He suffered."

Even more remarkable, this belief persisted in medieval and Irish traditions, viewing March 25 as a divine symmetry—where the Incarnation and Redemption converge in a sacred moment of God's eternal plan.

Therefore, when March 25 falls on Good Friday, it's considered a rare and profound alignment: the day the Word became flesh and the day He gave His flesh for the salvation of the world.

The last occurrence of this alignment was in 2016, and the next one won't happen until 2157.

The saints perceived this mystery not as coincidence but as a revelation of God's perfect

Jul 29, 2026 08:57:01

The saints perceived this mystery not as coincidence but as a revelation of God's perfect design. As St. Leo the Great preached, "The Son of God was conceived of the Holy Spirit within the womb of the Virgin Mary, so that He who would be born to suffer might also be conceived on the day of His Passion."

In the quiet of Nazareth, Mary gave her fiat—her complete "yes"—which altered the course of history. As St. Bernard of Clairvaux said, "The angel awaits your answer… We too are waiting, O Lady, for your word of compassion."

What a profound mystery:
At the Annunciation, Christ received a body…
At the Cross, He offered that same body for us.

On this upcoming solemn feast, let us emulate Our Lady's surrender and trust. Let us say "yes" to God in the hidden moments, the challenging trials, and the quiet sacrifices.

May we deepen our lives more intimately with Christ through her.

Our Lady of the Annunciation, pray for us! 🙏

Isang metal detectorist na nag-eexplore sa kabundukan ng Vestre Slidre, Norway, ang nakadiskubre ng isang napakabihirang gintong Byzantine coin na tinatayang 1,000 taon na ang edad.

Kilala bilang histamenon nomisma, ang baryang ito ay ginawa sa Constantinople noong panahon ng paghahari ng magkapatid na emperador na sina Basil II at Constantine VIII.

Sa isang bahagi ng barya, makikita ang larawan ni Hesus Kristo na may hawak na Bibliya, habang sa kabilang panig naman ay makikita ang dalawang emperador na nakatayo sa tabi ng isang Krus.

Ayon sa mga arkeologo, ito ang kauna-unahang barya na may ganitong uri na natagpuan sa Norway.

Ngunit isang malaking misteryo ang nananatili: Paano nakarating ang isang gintong baryang nagmula sa Constantinople patungo sa kabundukan ng Norway, na mahigit 2,500 kilometro ang layo?

Ilang posibilidad ang isinasaalang-alang ng mga mananaliksik, kabilang ang mga sinaunang ruta ng kalakalan, mga paglalakbay ng mga pilgrim, o mga Norwegian na nagsilbi noon sa Byzantine Empire.

Matapos ang halos isang libong taon na nakabaon sa lupa, kapansin-pansin pa rin ang malinaw na imahe ni Kristo sa barya. Isang pambihirang artifact na nag-uugnay sa kasaysayan ng Byzantine Empire at medieval Norway.

Nang hilingin sa isang estudyante na magsulat tungkol sa isang taong isinakripisyo ang lahat para sa iba, marahil ay inaasahan ng guro ang isang talata o dalawang pahina ng sagot.

Ngunit sa halip na magsulat, tahimik na kumuha ng lapis ang estudyante at gumuhit ng isang napakadetalyadong larawan ni Hesukristo—isang paraan upang ipahayag ang kanyang paniniwala tungkol sa pinakadakilang sakripisyo sa lahat.

Dahil sa husay, lalim, at ganda ng kanyang iginuhit, binigyan siya ng guro ng perpektong marka na 10/10.

Hindi nagtagal, kumalat sa social media ang larawan ng kanyang test paper. Marami ang humanga sa pagkamalikhain ng estudyante at sa guro na kinilala ang ibang paraan ng pagpapakita ng pag-unawa.

Naging paalala rin ito na hindi lahat ng estudyante ay pinakamahusay na nagpapahayag ng kanilang sarili sa pamamagitan ng pagsusulat.

May mga nagsasalaysay sa pamamagitan ng musika.

May mga nagsasalaysay sa pamamagitan ng musika.
May mga nagpapahayag gamit ang mga numero.
At may mga katulad ng batang artist na ito—na kayang magkuwento gamit lamang ang isang simpleng lapis at isang blangkong papel.

Marahil, ang pinakamahalagang aral ay hindi lamang tungkol sa paghahanap ng tamang sagot. Ito rin ay tungkol sa pagkilala na ang talento ay may iba't ibang anyo.

At kung minsan, ang pinakamagagandang kwento ay hindi nangangailangan ng kahit isang salita.

Anong prutas nga ba ang kinain nina Adan at Eva?

Hindi ito tinukoy sa Genesis, pero naging popular ang mansanas dahil sa Latin word na malum, na maaaring mangahulugang “mansanas” o “kasamaan.”

Kaya hanggang ngayon, misteryo pa rin ang tunay na prutas ng Eden.

Ikaw kaibigan, ano sa tingin mo ang kinain nila?

Estancia resident nabbed for Round Haul Siene fishing

Joint elements of the Iloilo Provincial Bantay Dagat Task Force, the 2nd Iloilo Provincial Mobile Force Company, and the Regional Intelligence Unit apprehended a resident of Barangay Tanza, Estancia for piloting F/B Jesiel Ann while engaging in Round Haul Seine fishing, locally known as "Baling."

The boat captain and his crew were caught operating at around 8:10 PM on Tuesday, off the waters of Barangay Agdaliran, San Dionisio, Iloilo.

The confiscated vessel and fishing paraphernalia are currently in the custody of the Iloilo Provincial Bantay Dagat Task Force for appropriate legal action.

A round haul seine is a fishing net deployed to surround and haul a mass of fish.

PARTNERS FOR PROGRESS

Padayon ang aton pakig-angot sa aton mga Partners in Good Governance agod mapadasig ang pagdala sang direkta nga mga proyekto kag serbisyo sa kabarangayan.

I spent time with barangay officials and community stakeholders from the five districts of the province in my office as we discussed their communities' priorities, the progress of ongoing initiatives, and the practical steps needed to bring more projects and services closer to our barangays.

Strong partnerships lead to stronger communities. By working closely with our barangays, we can better align provincial initiatives with local needs and ensure that our programs create a lasting impact where they matter most.

Ari lang kita nga nagapamati kag nagapatigayon agod ang mga proyekto sang probinsiya makalab-ot sa kabarangayan kag mapuslan sang aton mga kasimanwa.

You don't see LOYALTY like this anymore 💯👐

Only 7 players in NBA History have given 18+ seasons to a SINGLE franchise without ever leaving: 😱

- Reggie Miller (**Pacers**)
- John Stockton (**Jazz**)
- Kobe Bryant (**Lakers**)
- Tim Duncan (**Spurs**)
- Udonis Haslem (**Heat**)
- Dirk Nowitzki (**Mavericks**)
- Stephen Curry (**Warriors**)

In an era of super teams, ring chasing and trade requests, this list will NEVER be matched.

Insane commitment. Insane careers! 👑

PAGLAPASTANGAN SA MEDJUGORJE

Isang anti-Catholic attack ang nangyari sa Medjugorje. Nilapastangan at pininturahan ng itim ang mukha ng imahe ng Mahal na Birheng Maria, Reyna ng Kapayapaan sa Apparition Hill.

Ngunit sa awa ng Diyos, sa pagtutulungan ng parish community at ng Cenacolo Community, ito ay nalinis at naibalik na sa dati nitong ganda.

Matapos ang lahat ng ginawa nila sa Kanya, mas lalo pa Siyang gumanda! 💕

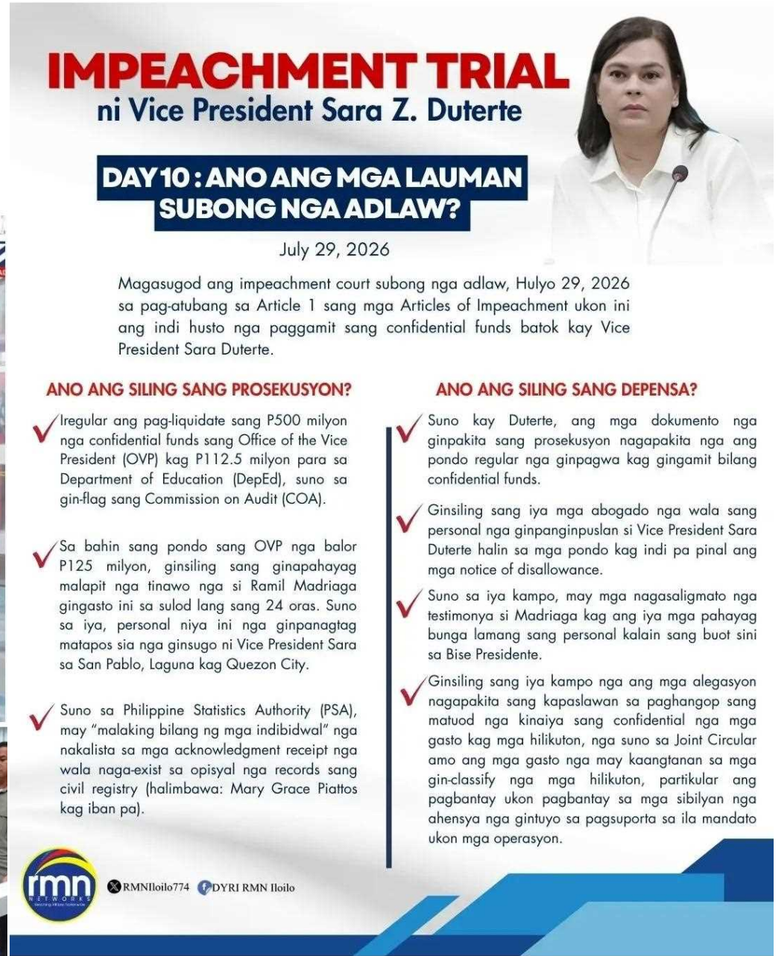
DAY 10 : **ANO ANG MGA LAUMAN SUBONG NGA ADLAW**? ... See more



IMPEACHMENT TRIAL
ni Vice President Sara Z. Duterte
DAY 10 : ANO ANG MGA LAUMAN SUBONG NGA ADLAW?
July 29, 2026
Magasugod ang impeachment court subong nga adlaw, Hulyo 29, 2026 sa pag-atubang sa Article 1 sang mga Articles of Impeachment ukon ini ang indi husto nga paggamit sang confidential funds batok kay Vice President Sara Duterte.
ANO ANG SILING SANG PROSEKUSYON?
Iregular ang pag-liquidate sang P500 milyon nga confidential funds sang Office of the Vice President (OVP) kag P112.5 milyon para sa Department of Education (DepEd), suno sa gin-flag sang Commission on Audit (COA).
Sa bahin sang pondo sang OVP nga balor P125 milyon, ginsiling sang ginapahayag malapit nga tinawo nga si Ramil Madriaga gingasto ini sa sulod lang sang 24 oras. Suno sa iya, personal niya ini nga ginpanagtag matapos sia nga ginsugo ni Vice President Sara sa San Pablo, Laguna kag Quezon City.
Suno sa Philippine Statistics Authority (PSA), may "malaking bilang ng mga indibidwal" nga nakalista sa mga acknowledgment receipt nga wala naga-exist sa opisyal nga records sang civil registry (halimbawa: Mary Grace Piattos kag iban pa).
ANO ANG SILING SANG DEPENSA?
Suno kay Duterte, ang mga dokumento nga ginpakita sang prosekusyon nagapakita nga ang pondo regular nga ginpagwa kag gingamit bilang confidential funds.
Ginsiling sang iya mga abogado nga wala sang personal nga ginpanginpuslan si Vice President Sara Duterte halin sa mga pondo kag indi pa pinal ang mga notice of disallowance.
Suno sa iya kampo, may mga nagasaligmato nga testimonya si Madriaga kag ang iya mga pahayag bunga lamang sang personal kalain sang buot sini sa Bise Presidente.
Ginsiling sang iya kampo nga ang mga alegasyon nagapakita sang kapaslawan sa paghangop sang matuod nga kinaiya sang confidential nga mga gasto kag mga hilikuton, nga suno sa Joint Circular amo ang mga gasto nga may kaangtanan sa mga gin-classify nga mga hilikuton, partikular ang pagbantay ukon pagbantay sa mga sibilyan nga ahensya nga gintuyo sa pagsuporta sa ila mandato ukon mga operasyon.

Never has donor funding fallen so far, so fast, and those most vulnerable are already paying the price.
INTERNATIONAL AIDS SOCIETY PRESIDENT
BEATRIZ GRINSZTEJN
The end of AIDS is no longer limited by science. The scientists have done their part. It's limited by inequality. Science has done its job, now politics must do its job...When prevention disappears, infections rise. When treatment is interrupted, people die. We know how this story ends if we fail to act.

Inside Ella Bright's Off-Screen Era! Wetherspoons, Reality TV & Taylor Swift

Ella Bright has given fans a glimpse into life beyond Off Campus, sharing everything from her first days on set to her love of Taylor Swift and reality television in Tatler magazine this month!

Moving to Vancouver for filming was a huge change. Having grown up with two sisters, attended an all-girls school and spent much of her career surrounded by women, she suddenly found herself living alone while spending her days on what she described as a frat-house set. Even her sisters were left wondering how she'd ended up there!

Once filming wrapped, Ella took her castmates to London and was determined to show them a good time! That meant multiple trips to Wetherspoons (Cheap chain of Pubs in the U.K.) and introducing everyone to the blue raspberry vodka drink… that's sounds horrible! Ha! In the end, it was co-star Josh Heuston who surprised Mika and Ella by finding some of London's best pubs and restaurants.

Away from work, Ella says she loves switching off with long walks or binge-watching reality TV, naming Love Island, The Secret Lives of Mormon Wives and Selling the OC among her favourites.

She's also a lifelong Taylor Swift fan. Her first concert was the 1989 tour in Hyde Park, and she later attended two nights of the Eras Tour in 2024, dressing as Poison Ivy one evening and one of the iconic 1989 seagulls the next. She also reflected on going to Reading Festival at 16, laughing that squeezing four people into a two-person tent was nothing like the glamorous Coachella experience seen online.

Ella has a crazy cool vibe, great energy and dreams of starring in a phycological thriller but first bring on season 2!

Astronomers captured a rare image of the flare from a black hole "devouring" a star on the outskirts of a faraway galaxy, NASA said.

The event involved an "orphan" black hole lighting up as it shredded a nearby star apart, a phenomenon known as a tidal disruption event (TDE), according to a paper published Monday in The Astrophysical Journal Letters.

These types of black holes are described as "orphan" or "wandering" black holes because they are located on the outskirts of a galaxy rather than in the center.

The Girl Who Loved a Priest

They met as children in primary school.

At first, they were simply classmates. Then they became friends. As the years passed, their friendship quietly blossomed into something deeper. Through primary school, high school, and college, they walked side by side, sharing dreams, laughter, struggles, and countless memories.

Ten years.
Ten beautiful years of growing together.
They dreamed of building a home, raising children, and growing old together. Their future seemed already written.
Then one day, the young man told her something that changed everything.
"I feel God is calling me to the priesthood."

Her heart trembled.
She could have begged him to stay. She could have walked away. But love is not selfish.
With tears hidden behind her smile, she replied,
"If God is truly calling you, then I will never stand in His way."
And so he entered the seminary.

She remained faithful.
For ten long years, she became his silent strength.
Every morning she would send him a message:
"Good morning. I prayed for you today."
Every night before sleeping:
"Take care of yourself. God bless you."
Whenever he felt discouraged, she encouraged him.

Whenever he doubted himself, she reminded him that God never abandons those He calls.
She carried her own pain in silence because seeing him happy made her happy.
Deep inside, however, she secretly believed that one day he would come home to her.
Perhaps after discerning... perhaps after realizing that she was the one meant for him.
That hope kept her waiting.

Then came the day of his priestly ordination.
The church was overflowing with joy.
Family and friends smiled with pride.
The choir sang beautifully.
But among all those smiling faces stood one woman whose world was slowly falling apart.

As he lay prostrate before the altar, she realized.
..
This was no longer a dream.
He truly belonged to God.
She tried to stop her tears.
She couldn't.
From the beginning of the Mass until the final blessing, tears streamed endlessly down her face.
It felt as if every memory they had shared was quietly passing before her eyes.

The first time they met.
Their first walk together.
Their dreams.
Their promises.
Everything.

After the Mass, people lined up to receive the blessing of the newly ordained priest.
When her turn came, she could hardly stand.
He looked at her.
His eyes also filled with tears, but he remained silent.
Making the sign of the cross over her, he softly said,
"May God bless you... and may He lead you to become a loving wife, a wonderful mother... or wherever His will leads you."

She could not answer.
Words no longer existed.
Instead, she placed a small notebook into his hands.
It was her diary.
Inside were ten years of prayers...

It was her diary.
Inside were ten years of prayers...
Letters she never sent...
Dreams they had once shared...
Plans for the future they would never have together.
On the very last page, he found these words:

"My heart was broken into pieces so that yours could belong completely to God.
I stayed awake through countless nights praying for you, so you could remain in His hands.
I worked tirelessly to make you smile.
Now, may you spend the rest of your life working tirelessly in God's vineyard.
I loved you with all my heart...
But God loved you even more.
So today, I give you back to the One who loved you first."

Beneath those words, she drew a tiny broken heart.

Then she signed it with the special nickname only the two of them had ever shared.
He closed the notebook.
For the first time since his ordination, tears rolled down the face of the new priest.
They looked at each other one last time.
No promises.

No regrets.
Only gratitude.
She quietly walked away.

He watched until she disappeared into the crowd.
They had lost each other...
But perhaps they had both found the One who had been calling them all along.
Sometimes the greatest love is not holding on... but having the courage to let go.

"I loved you enough to let God have you."

‘ACTUALLY, ‘YUNG HUMAHARANG… ‘YUNG KABILA EH’

Isiniwalat ni Sen. Erwin Tulfo na nakikiusap umano ang ilang Minority senators na huwag ituloy ng Senate Blue Ribbon Committee ang imbestigasyon nito sa flood control anomalies.

“Kayo ‘yung inudyok-udyok niyo ‘yung leadership ni Sen. Win (Gatchalian), pati ako. Sasabihin niyo, tinatago namin. ‘Yun pala, may plano silang ‘wag ituloy muna. Ano ba talaga?” sabi ni Tulfo, ang chairperson ng Blue Ribbon.

Hindi pinangalanan ni Tulfo kung sino ang mga tinutukoy niyang senador mula sa minorya.

“Obvious… Alam mo naman kung sino ‘yung pinaiimbestigahan, tinutumbok ni Sen. Lacson.”

That empty stare in Sara's eyes, you know she knew nothing about what's going on in our country.

I also do not know everything. I have my readings and based on that I feel that the Philippines is not yet ready. But I'm still waiting for the probe about it.

You see, this is not about a random person. This is the person positioning herself to lead the country. I cannot even imagine the kind of Philippines we will have with this kind of leader.

KABABAIHAN LABAN KAY PIA

A coalition of women's advocates, academics, and #feminists has filed an #ethics complaint against Sen. Pia Cayetano over a video she posted about the impeachment trial of Vice President Sara Duterte.

The complainants alleged the video was edited in a way that misrepresented statements made by House prosecutor Rep. Chel Diokno, arguing that it could mislead the public and undermine confidence in the Senate impeachment court.

Kapag ang isang impeachable officer, tulad ng Pangalawang Pangulo, ay inabuso ang kapangyarihan sa paraang sumisira sa accountability at sumusuway sa pananagutan, dapat pa ba siyang pagkatiwalaan? Dapat pa ba siyang manatili sa puwesto? When the Filipino people entrusted their money to Vice President Sara Duterte, was that trust honored?

'NA-SHRED NA ANG OVP CHEQUES'

Na-shred na ang mga orihinal na kopya ng apat na tig-P125 milyong halaga ng tseke ng Office of the Vice President (OVP), ayon kay dating LandBank branch manager Violeta Constantino.

Sinabi niya ito sa pagpapatuloy ng impeachment trial ni Vice Pres. Sara Duterte ngayong Miyerkules, July 29.

Ayon kay Constantino, alinsunod ito sa panuntunan ng bangko tungkol sa retention period ng mga tseke.

"JUST BECAUSE IT'S UNUSUAL, IT DOESN'T MEAN IT'S ILLEGAL"

Senator-judge Alan Peter Cayetano says that the encashment of the Office of the Vice President's P125-million confidential funds, which totaled half a billion in four cheques, may be "unusual," but it does not mean it's illegal.

Cayetano cited his experience in similar transactions during his term as DFA secretary.

PANALANGIN SA INA NG LAGING SAKLOLO (tuwing miyerkules)

Kalinis-linisang Birheng Maria, Ina ng Diyos at Ina ng Santa Iglesia, ikaw ay amin ding Ina na laging handang sumaklolo sa amin. Taglay ang mga pusong lipos ng pag-ibig sa iyo iniaalay namin ang aming sarili sa iyong Kalinis-linisang Puso upang kami ay maging tapat mong mga anak. Ihingi mo kami ng tunay na pagsisisi sa aming ipinangako nang kami ay binyagan.

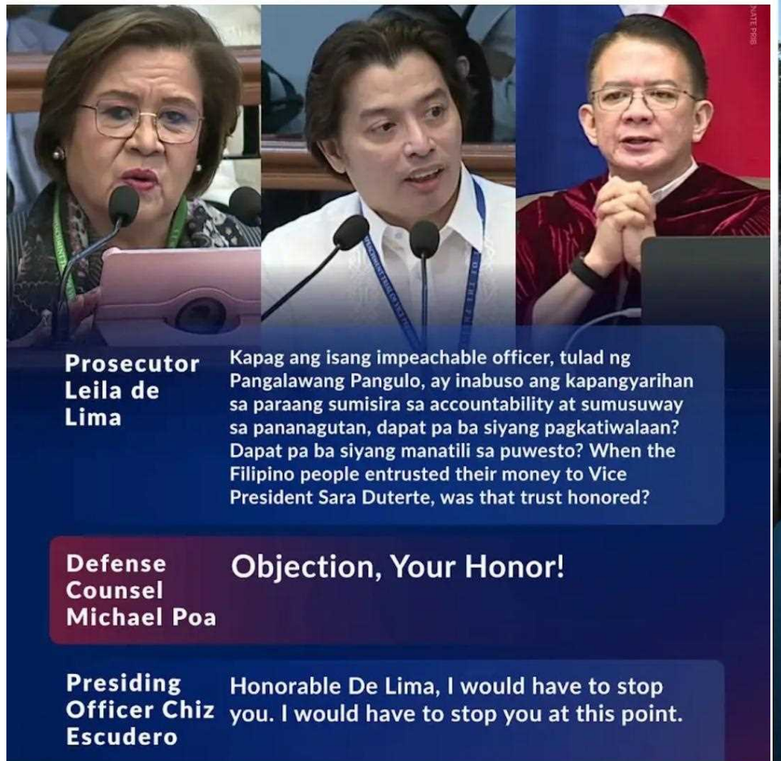
'I WOULD HAVE TO STOP YOU'

Hindi na pinatapos ni Senate impeachment court presiding officer Chiz Escudero ang opening statement ni Rep. Leila de Lima, miyembro ng panel of prosecutors, matapos ang sunod-sunod na pag-object ng Depensa dahil sa umano'y paghahayag niya ng "conclusions of fact and law." #VPonTrial

Tutukan ang live coverage ng GMA News sa impeachment trial ni Vice President Sara Duterte: https://youtube.com/live/7XO5UQMO1Kw



Prosecutor Leila de Lima
Kapag ang isang impeachable officer, tulad ng Pangalawang Pangulo, ay inabuso ang kapangyarihan sa paraang sumisira sa accountability at sumusuway sa pananagutan, dapat pa ba siyang pagkatiwalaan? Dapat pa ba siyang manatili sa puwesto? When the Filipino people entrusted their money to Vice President Sara Duterte, was that trust honored?
Defense Counsel Michael Poa
Objection, Your Honor!
Presiding Officer Chiz Escudero
Honorable De Lima, I would have to stop you. I would have to stop you at this point.

Para kay Vice President Sara Duterte “weak leadership” umano ang dahilan kung bakit kaliwa’t kanan ang pagiging bayolente ng mga kabataan.

“Ganyan kasi ang nangyayari, hindi lang sa kabataan, kundi sa lahat ng tao, ganyan ang nangyayari kapag wala kasi nakikita na leadership, nag kanya-kanya ‘yung mga tao. Kung makikita ninyo sa mga empleyado ng gobyerno ngayon, ganoon din ‘yung mentality nila, nagkakanya-kanya sila,” saad niya sa panayam sa The Hague nitong Martes, July 28, 2026.

“Kapag nawawala ‘yung respeto, nagkakanya-kanya lahat ng tao. That is a manifestation of a weak leadership,” dagdag niya.

Nang tanungin naman sa isyu ng Pax Silica, no comment ang tugon ng bise.

HOW OLD WERE THE POPES WHEN THEY WERE ELECTED?
From the youthful election of Pope John Paul II at 58 to the election of Pope Leo XIV at 69, each pope has answered God's call at a different stage of life. Their ages may have varied, but their mission remained the same: to shepherd the Church with faith, humility, and courage.
Age is not a measure of holiness or readiness to serve. Throughout history, God has called His servants according to His perfect timing.

Before interviewing someone—especially the Vice President—about a specific issue, it's the responsibility of the interviewer to provide enough context if it's clear the interviewee is unfamiliar with the particular question.

That's why may mga briefers before press conferences. This is to give everyone the necessary background and ensure informed answers.

Pero yan ang mahirap kung ang nagiinterview ay mas focused sa monetization than responsible journalism. Instead of producing substantive content, they rely on out-of-context questions and manufactured moments for clicks and views.

Proud pa. Jusko! Pataka! Bombelya! 🤡🙄

‘BUMIGAY NA YATA’

Sen. Panfilo “Ping” Lacson said the public could “partake” of the “delicious” details surrounding alleged anomalous infrastructure projects in Taguig by watching the Senate blue ribbon panel hearings.

He made the remark after Sen. Alan Peter Cayetano on Tuesday described the accusations involving Taguig projects as “malicious.”
